# Larger Sizes of Fine Flowering Trees and Shade Trees

The shade trees listed have been transplanted and root pruned to develop a fine root system. The bodies and tops have been pruned and trained into nice trees. The flowering trees are grafted varieties and are four and five years old. They are now ready for your lawn or garden and will soon grow into mature trees of great beauty.

## FLOWERING TREES OF THE FINEST VARIETIES . . . . .

**FLOWERING CRABS** of the finest varieties. These trees are easy to grow, very hardy, and offer many colors of bloom.

Price on all varieties in 3-year trees 3 to 4 feet, \$1.25 each, 3 for \$3.20.

**Betchels**--large double pink flowers like roses. Very fragrant.

**Coronaria (Wild Sweet Crab)**--Clusters of rose pink flowers. Very fragrant. Fruit yellow with pink cheek.

**Eleyii**--Deep red semi-double flowers and dark red fruits.

**Hopii**--Beautiful rose red flowers in spring and vivid crimson fruits in autumn.

**Red Vein (Neidzwetzkyana)**--Purple foliage and bark. Showy red fruits and beautiful pink flowers. Very hardy and showy.

**PAUL'S SCARLET THORN**--Beautiful dwarf tree blooming in late May with clusters of cerise-red flowers in great profusion. Bloom very young. Hardy and desirable. Fine trees, 3 to 4 feet tall, \$1.50 each.

**JAPANESE FLOWERING CHERRY**--Fine ornamental trees with glossy green foliage which turns to vivid crimson in autumn. They are covered with beautiful bloom in spring. Hardy and easy to grow. Fine trees 3 to 4 feet tall \$1.25 each.

**Kwanzan**--Compact top, upright growing. Flowers full and double of deep pink and rose.

**Sieboldi**--Very fine double pink.

**Yoshino**--Very lovely. Buds red opening blush pink and shading into white. Most popular of all.

**PRUNUS NEWPORT**--One of the finest red leaf trees. Red all summer and deeper red in autumn. Rich pink flowers in spring before leaves appear. Fine trees 3 to 4 feet tall, \$1.00 each

**PINK FLOWERING DOGWOOD**--A fine companion to the white dogwood. Large pink flowers in great profusion. Pretty foliage through summer and brilliant autumn color. Our trees are grafted and are true to strain. Fine trees 2 to 3 feet tall, \$1.50 each.

**GRAFTED FRENCH LILACS**--Often grown into tree form as they grow very upright. Very hardy and bloom very young. Very showy and desirable with their many colors offered. We offer fine plants 3 feet tall, 90 cents each, 3 for \$2.40.

**Chas Jolly**--Double dark purple.

**Mme. Lemoine**--Double pure white.

**Pres. Grevy**--Double porcelain blue.

**Rothamengensis**--Beautiful wine red.

### PLEASE NOTE

We do not pay shipping charges on trees and plants listed unless they are priced prepaid. Larger trees and plants should be shipped via freight or express and we will pack them in fine manner so they can be safely shipped anywhere in the U.S. or Canada but the customer is to pay the shipping charges when the trees arrive.
